Fashion Rose of the Year

Pat. 789

\$2.00 each; 3 for \$5.00

Here is the latest thing in a dainty Floribunda Rose, awarded a Gold Medal by the All-America judges as well as in England and France. Both buds and open flowers are of exquisite form, making it ideal for cutting and garden use alike. In color it is bright coral-peach, brilliant yet soft and always beautiful at all stages. Open blooms are about 3 inches across, with waved petals and a large cluster of golden stamens, carried in large bouquets. Pleasing old Rose perfume. Bushy plants with small, glossy foliage. Grows about 2½ to 3 feet tall.

CLIMBING ROSES

The Hybrid Tea bush Roses Peace and Crimson Glory have won an everlasting place for themselves in the affections of American gardeners. Their performance is so outstanding in the great majority of gardens that their names have become a byword for perfection. Now we are proud to present strong everblooming climbing forms of these two favorites. Plant them and see how glorious a climber can be!

All plants except Tree Roses will be shipped prepaid east of the Mississippi. Add 10% for orders to be sent west of the Mississippi.
